### FEEDBACK SYSTEM

Collection of Feedback from Parent, Student, Teacher, Alumni, and Employers:

The College collects the online feedback (through Google Forms) on curriculum aspects and courses from different stakeholders such as the students, alumni, Faculty and Employers. Institution established Academic Council in order to ensure and analyze the academic excellence at student and faculty levels. Periodical analysis are made by Academic Council from the following: student performance, faculty performance in every semester, utilization of infrastructure and requirements for quality enrichment.

Indira College of Pharmacy thoroughly reviews the curriculum for every academic year. The college maintains an IQAC as a quality consistence and quality enhancement measure. In supervision of IQAC, various departments and committees like Career Guidance, Anti-Ragging and Sexual Harassment Committee, etc. reinforce the curriculum by incorporating updated information and diurnal social issues. Institute collects the feedback physically from stockholders viz. Students, Parents and Teachers on Curriculum which is prescribed by the university, further college website invites ala stockholder to provide feedback through online. The college conducts annual Alumni Meet, in which suggestions and feedback is received from Alumni students. Feedback from industrial management and professionals is obtained through college website's feedback blog. The provided feedback data is presented to the College Governing Council Meeting for necessary implementation in curriculum. □ Alumni surveys are conducted during alumni interaction at the alumni association meeting held every year. □ Whenever any alumni visits the college, feedback is taken. □ Further, college website invites alumni to provide feedback through online. □ Feedback from industry and professional bodies also are obtained.

The formats of Feedback on curriculum for various stockholders to be collected as given below:

**Feedback Report and Action taken Report**

The feedback is collected from all the stakeholders (students, Teachers, alumni, employers). The Academic Council reviewed the feedback and after deliberations, the Council has prepared a report and submitted.

The consolidated feedback and the action taken report is summarized as follows:

**Table 1: Alumni feedback and action taken.**

S.No	Feedback	Action Taken
1	More courses with Laboratory experience to be added which can give them more Practical Experience helping them to sustain in the industry.	New curriculum from academic year 2018-2019 consists of integrated courses (theory and practice together). This helps in an increased practical orientation of the course and further it helps understand concepts with practical exposure.
2	Increased focus on soft skills training and courses with credit on soft skills can be of great help.	Courses on soft skill and two Week certificate Programs are added to improve Soft Skill training.
3	Latest technologies to be taught in B Pharm/M Pharm program	Inclusion of new technologies in form of Certificate Program emphasizing on modern tools, techniques and software's
4	Content delivery to be made concept based for long term learning which in turn can help them sustain in the industry with ease	Integrated courses with experiential learning, participative learning and problem solving approaches in form of various projects is introduced in all the years
5	Increase in scope and facilities for self-learning.	Students are encourage to taking up NPTEL / SWAYAM / MOOCs courses,
