INSTITUTIONAL DISTINCTIVENESS

The Distinctiveness of the ICOP lies in its philosophy **Education Process Reengineering (EPR)**.

The Education Process Reengineering EPR Model is widely disseminated by four critical faces in the Organization to develop the structure under critical success factors and sub functions.

The 4 faces are: 1. Excellence in Academics

2. Exploration of Knowledge through Research

3. Excitement of Innovation Entrepreneurship

4. Exponent for Development of a Rounded Personality with Global Vision

And Social Responsibility Excellence in Academics.

Excellence in Academics:

- In order to redefine academic excellence, ICOP management, administration, and faculty members strive for it and go beyond teaching.
- State-of-the-art teaching facilities to train students in emerging technologies to set up and maintain state. Build talents and traits in managing numerous professional activities

Exploration of Knowledge through Research:

- The institute's course-based projects, social impact projects, certificate courses give students with awareness of cutting-edge techniques, allowing them to conduct inter-disciplinary research.

- The institute's research facility is outfitted with modern research laboratories to aid academic and sponsored initiatives.

Research that is Multidisciplinary:

- ICOP takes academic strategy to train and teach OBE system which is designed to comply the CO's and PO's.
- This form of research enables students to learn by creating connections between ideas and concepts from many disciplines.

Innovative Pedagogy in the Classroom:

- ICOP has implemented an innovative teaching pedagogy that incorporates Smart Classrooms
- To assist instructors in better conveying concepts and creating more meaningful learning experiences through the use of audio/visual aids from a variety of sources.
- Comprehensive and Continuous Assessment gives instructors a greater knowledge of what students are learning
- Helps students become more involved in the learning process.

Exponent for Development of a Rounded Personality with Global Vision and Social Responsibility Excellence in Academics:

- The development of social awareness and consciousness is a prerequisite for social activity.
